CAREER OBJECTIVE

Freelance Audio Producer, Editor, and Content Creator. I'm a well-organized, creative problem solver with high attention to detail and a great sense of humor. Having produced projects in both professional recording studios and out of my own apartment I'm attuned to industry standards as well as the scrappiness of DIY

EXPERIENCE

HEAD ENGINEER

Mirrortone Studios, Manhattan, NY / Jan 2021 - Present

- Overseeing all aspects of recording projects including music, voice over, podcasting, and ADR
- Full service Editing, Mixing, and Mastering for music artists, commercials, and film & tv audio post production
- Operating remote collaboration tools including Source Connect, Audiomovers, Zoom, Skype, etc.
- Maintaining studio facilities and equipment
